Dear Parents,

### **2020 Voluntary Contributions, Charges and Personal Use Items**

Your support of the school plays a major part in our ability to provide additional resources that extend our school's capacity to broaden the learning experience for your child. Your payment of the contributions and charges will assist in not only supplementing school expenditure but also in achieving the school vision to "Grow Together." The Wanneroo Primary School Board has endorsed the following schedule for Contributions, Charges and Personal Items List for 2020 in accordance with the School Education Act 1999:

#### **Kindergarten – Year 6                      \$60.00 per child**

The schedule consists of five sections which are expanded over the page:

1. Voluntary Contributions
2. Charges for extra cost optional items.  
Student participation in such activities are voluntary but a charge is payable prior to the activity. Participation is dependent on payment of these charges.
3. Personal Items List for personal use in the education process.  
Please note that some of these items are able to be used from year to year hence reducing the overall cost of the list e.g. the calculator and USB. Purchase through the school's nominated seller is optional. Some items will require replacement during the year.
4. Other fundraising (voluntary).
5. Optional costs for activities and services provided through the school.

The School Board has endorsed Ziggies as the approved supplier of the items on the Personal Items Lists. Orders can be placed in person by visiting a store or online for home delivery or collection from the store. As part of the service, Ziggies offer free delivery up until 20 December 2019. Thereafter, they will charge \$6 per student or one \$10 delivery fee for a family when online orders are placed together. Purchase through the nominated provider Ziggies is optional although recommended in order that the items supplied are the correct item required for the learning program.

To support the Australian Curriculum in numeracy, the School Board has endorsed the inclusion of a Stepping Stones workbook on the personal items lists for Years 1-4.

The voluntary contribution for equipment and materials can be paid by cash, cheque, internet banking or by EFTPOS through the school office. Receipts will be provided. It is possible to pay the voluntary contribution as part of the personal items list.
